Hello,

I am writing to encourage the commission to approve Draft A for Opinion 2007-27. I have used ActBlue for all of my donations to political candidates since I first became aware of ActBlue in 2005. When I contribute through ActBlue, I consider the service it provides as a way to interact with the candidate I donate to in a secure manner. I know that ActBlue, as a service, provides a safe and secure manner for online transactions, a confidence I may not have with a candidate's personal server. Thus, I consider gifts to ActBlue a contribution to the candidate of my choice, not a contribution to ActBlue.

Thank You,

Chris Roberts
