DESCRIPTION OF REPORT

PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office, for the period which began on January 1, 1989. Political committees, which are entities registered with the Federal Election Commission, report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports has been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial

information for each registered state and local major party committee, while VOLUME III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade/Membership/Health, Cooperative, Corporation without Stock) do the same for each non-party political committee.

WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees.

LIMITATIONS:

This study is a final report designed to give a complete picture of the financial activity which occurred during the 1989-1990 election cycle.

Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election

Commission. This interim study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1988. As subsequent reports were received during 1989, 1990 and 1991 the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this REPORT'S TABLES were run on August 4, 1991 and used certain 1989-90 data which had been entered up to and including that date.

II

SUMMARY OF TABLES

The TABLES in this VOLUME are designed to show selected information for all registered non-party corporate and labor political committees. (A non-party political committee means any committee that has not been authorized by any candidate and which is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.) The EXPLANATION OF COLUMNS for non-party political committees provides detailed definitions for each column and explanations of organization; it should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF CORPORATION-CONNECTED POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending.

TABLE A next provides a committee's

"cash on hand" and debts figures. Amounts of its assistance to candidates* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity to date.

TABLE B is identical in construction to TABLE A.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

EXPLANATION OF COLUMNS

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled CONTRIB FROM NON-PARTY, appears under TABLE C, as the fourth entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the April 1988 FEC Form 3X on which the receipt and disbursement information was reported is indicated.

(A non-party political committees means any committee that has not been authorized by any candidate and which is not part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election

Campaign Act, as amended.)

TOTAL RECEIPTS:

This column includes all incoming funds reported on Line 18.

NET RECEIPTS:

Total receipts may include transfers to the committee from other affiliated committees. These are committees organized by the same institution or individual which share contribution limits. The column labeled net receipts removes these transfers and is a more accurate measure of actual income. Transfers are reported on line 12.

CONTRIB FROM PARTY:

Contributions to the committee from committees of major or minor political parties. These contributions are listed on detailed receipt schedules supporting line 11b.

CONTRIB FROM NON-PARTY:

Contributions to the committee from other non-party committees which are not affiliated with the listed committees. They are reported on receipt schedules supporting line 11c.

TOTAL INDIV CONTRIB:

This column represents the sum of all contributions from individuals to the non-party committee. The contributions may be either monies given directly to the committee or earmarked through another political committee or they may be in-kind contributions of services, goods, or property. (Contributions earmarked through the committees are not included.) The source is line 11a Column A of each report filed by the committee.

IN-KIND CONTRIB REG COM:

Contributions of goods or services to the committee from other committees. The information is listed on receipts schedules for lines 11b or 11c.

TOTAL DISBURSEMENTS:

This column includes all outgoing funds reported by a political committee on Line 28 - Total Disbursements.

NET DISBURSE:

Total disbursements minus any transfers to other affiliated committees. These are committees organized or controlled by the same organization or individual which share contribution limits. Transfers are reported schedules supporting line 20.

CONTRIB TO PARTY:

Contributions made by the listed

committee to committees of major or minor political parties. Contributions to other committees are reported on schedules supporting line 21.

CONTRIB TO NON-PARTY:

Contributions made by the listed committee to other non-party committees with which it is not affiliated. Contributions to other committees are reported on schedules supporting line 21.

BEGINNING CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1989 (or its initial 1989 "cash on hand" if it registered subsequent to 1/1/89) is given in this column. This beginning cash balance is reported on Line 6.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1990 "cash on hand." These balances are taken from Line 10 (Line 8).

DEBTS OWED TO:

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 10 of the committee's latest report.

DEBTS OWED BY:

The outstanding debts and

obligations owed BY the listed political committee are given in this column. The figures are from Line 10 of the committee's latest report.

CONTRIBUTIONS TO CANDIDATE:

These eight columns represent contributions (donations of money or in-kind contributions of services, goods, or property) to candidates from the listed political committee. The amounts are as reported on line 21 of schedule B. (Note that some of these contributions may have been made to individuals who may not be statutory "Candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal Office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

The first column represents the total of all contributions (both money and services) made to Federal candidates during 1989-90 along with the number of candidates supported. The next column (IN-KIND CONTRIB TO CANDID) represents the proportion of total contributions which were made up of services, goods, or property. The next column provides the amount contributed to candidates during 1989. The following five columns identify total contributions by candidate's party.

EXPEND FOR:

Figures here represent expenditures on behalf of candidates's made by a non-party political committee. The disbursements are independent expenditures (those made without consultation with the candidates), honoraria, or contributions to recounts. Line 22 of Schedule E is the source for the amounts. (Note that some of these expenditures may have been made on behalf of individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

EXPEND AGAINST:

This column includes all expenditures made in opposition to a clearly identified candidate.

The final nine columns isolate contributions to candidates by office sought and , for Congressional candidates, by incumbent, challenger, open-seat status. Incumbents are those candidates who have held congressional office at any time during the 101st Congress. Open-seat candidates are those seeking election during 1989 or 1990 to seats where the incumbent did not seek reelection.

CORPORATION:

All non-party political committees which have identified themselves as being connected with a corporate entity are included in this group.

LABOR ORGANIZATION:

This category is comprised of all non-party political committees which have indicated a connection with a labor organization.

The identification number which the Federal Election Commission has assigned to a committee (C.....) is listed next to the committee's name. Also given is the ending coverage date of the most recent report containing 1989-1990 financial activity information which a committee has filed. If no ending coverage date is printed, it means that for a variety of reasons the committee has not filed a report containing financial activity information.
