This whole system needs to be revised, the rules are mountainous....
As a local grassroots Democratic club, for us, the rules, regulations,
paperwork, filings are so complex,
and if something is missed, fines are issued...this makes it impossible for a
group of volunteers
to operate in a relatively small way in the process, without expensive,
professional assistance
from one of few professionals who understand it....
please consider this as you meet, and help make this a democracy that works
for the average
person, organization...and focus the controls on those with millions, with
which they abuse power

thank you,
