Re: Request for Advisory Opinion (AOR 1992-16)

Dear Mr. Levin:

This is a followup on our telephone conversation of May 15, 1992 relative to Nansay Hawaii's above-referenced request for an Advisory Opinion with respect to certain proposed campaign contributions. In this telephone conversation, you requested clarification with respect to two aspects of the information which I had provided you in previous letters.

First, you requested, and I am here providing, confirmation that the Board of Directors of Nansay Hawaii, Inc. consists of four directors. Two of the directors, including the president of the corporation, are United States citizens. The other two directors are citizens of Japan, although one of the two has been admitted for permanent residency in the United States.

Second, the corporate budget for Nansay Hawaii, Inc. is prepared, reviewed, and approved by Nansay Hawaii, Inc.'s president and the corporation's chief financial officer. Both the president and the chief financial officer are citizens of the United States. The corporate budget is not reviewed or approved by the Board of Directors.

I hope this information clarifies our previous submissions and that the Commission can now proceed with the process of issuing its Advisory Opinion. Insofar as the state and local election "seasons" are fast approaching, my clients would appreciate receipt of the Commission's Advisory Opinion as soon as reasonably possible.
