SUPPLEMENT

Dear Mr. Marinelli:

You have asked that I supplement the information I provided previously by adding the amounts the Foundation has contributed to political candidates on state and local levels. In order to facilitate our response, I am providing the chart below which is based upon information from our records. No other political contributions have been made.

	1990	1991	1992	1993	1994	1995
Federal	500	500	3800	600	3100	1500
State	5	5	1000	5	1000	5
Local	1000	5	5	2000	5	5

I hope that the above is helpful.

Very truly yours,
Irwin Gostin
