RE: AOR 2003-22

Dear Mr. Norton:

On behalf of the Board of Directors of PaBPAC (Federal), I am writing to voice our support for the Advisory Opinion Request recently filed by the American Bankers Association. We fully support the AOR and urge the FEC to confirm that executives of corporate members are permitted to collect and forward contributions for trade association political action committees.

Sincerely,

A handwritten signature in cursive script that reads "Daniel J. Reisteter".
