## ROSE PETSCHE 6648 HIDDEN LAKE TRANSCHOR BRECKSVILLE, OH 44 COMMISSION SECRETARIAT

I have become aware that the FEC is considering classifying the online donation site "ACTBLUE" as a PAC which would make any donations given on that site unavailable for matching federal funds.  I believe this is the wrong decision for the FEC to make. In my opinion, the existence of ACTBLUE.com enables small individual donors a convenient way to easily participate in our democracy. ACTBLUE dispenses any funds I donate to the specific canidates I choose. Before ACTBLUE I never took the time to dona funds to individual candidates. The existence of this web site is very HEALTHY for our county and gives the "little" people a great feeling.  Does the FEC really want to discourage participation by small donors by making our dollars less valuable? This is not about partisan politics. This issue is about "individual people".  Summary: Don't classify ACTBLUE.com as a PAC ineligible for federal funds.  Thanks,  Rose Petsche		12: 22
